RE: Docket No. 98N-1265

9389 '99 JUN -2 P12:50

To whom it may concern,

This letter is in regards to docket number 98N-1265. I want the Mou amended. In it's present form, the Mou, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of my physician and myself as a patient to obtain healthcare products from the provider of my choice, and infringes on the rights of compounding pharmacists to serve my, as well as the public's medical needs.

I personally have severe reactions to synthetic hormones and do not want to have the trauma of taking medication that harms me.

Sincerely,

Colleen Vicknair
